

**HARDY
ELECTRICAL & SOLAR**

www.hardysolar.com.au

WHY FRONIUS?

Genuine Austrian-made inverters

Highest quality standards
(Impact test, dust test, low temperature + 10 other tests)

Long product lifespan

Ethical environmental & social company

Award-winning innovation
(German Design Award Special 2019 + many more)

Unbeatable reliability

High efficiency energy conversion

Inverters are literally the "heart" of any solar system and Fronius inverters are **second-to-none**.

This product has never disappointed us after many hundreds of smooth installations.

We **highly recommend** Fronius inverters to anybody who wants the best possible output from their solar system and the lowest possibility of anything going wrong.

Owner/operator, Hardy Electrical & Solar Pty Ltd
